

July 3, 2020

Dear WIT Liaison,

As you are most likely aware, AAW is hosting its first virtual symposium July 10-12. This will replace the symposium in Louisville which was cancelled. We are writing to ask that you contact all of the women in your chapter to inform them about the symposium and encourage them to take advantage of this unique learning opportunity. This virtual symposium is open to EVERYONE regardless of their membership status. You should stress that one need **not** be an AAW member to register.

Please give the women in your club a reminder about the symposium because registration closes on Tuesday. Registration is only \$20.20, which includes 3 days of demonstrations and panel discussions. You will not regret the decision to attend. Be sure to join us on Sunday for WIT Presents: Beth Ireland at 1:30 pm EDT. Time is running out so don't wait. Register **TODAY**. For your convenience, below is part of an email sent from the AAW office with a link to the symposium registration page. Please forward it to your members!

Thank you,
The WIT Committee
